### MILK THISTLE

**Milk Thistle** is one of the best [liver](#)-protective herbs. Use it for any diseased condition associated with the liver including jaundice, hepatitis A and B, and chronic liver cirrhosis. Milk Thistle is excellent even in conditions when the liver is under, stress, for example from excess alcohol usage, infections or chemotherapy. Not only does it protect, it regenerates the liver speeding up recovery from any diseased condition.

Other uses include: Psoriasis, Adrenal Disorders, Inflammatory Bowel Disorders, Increase Breast-Milk, Depression, and Weakened Immune
